

# HE-Type Markers

HE-type cable markers are designed to provide an easy and convenient method of marking in-situ or terminated cables using an integrated applicator.

## Applications

- Snap-on marker for post-termination application.
- Secure grip for positive fixing to the cable.
- Supplied on applicators for quick and easy fixing.
- Suitable for cables from 0.1mm<sup>2</sup> to 100mm<sup>2</sup>.
- Colour coded option.
